## **Court priorities and guidelines when reserving electronic evidence presentation systems:**

- The systems are available for use in civil and criminal cases and must be approved by chambers, prior to your request to the IT Department.
- Systems should be reserved at least one month in advance of trial.
- Information Required:
  - \* Name of Attorney
  - \* Name of Firm
  - \* Address/Phone No.
  - \* Name of Judge
  - \* Case Name and Number
  - \* Date of Trial
  - \* Length of Trial

### **Priority will be given to:**

- \* Cases longer than four days
- \* Cases in which many documents are involved
- \* Cases in which counsel has requested a system at least one month in advance of trial

When conflicts arise, use of a system will be determined on a case by case basis.
