

# Art at the Courthouse

Since its inception in 1996, the U. S. District Court's art program at the Greenbelt Courthouse has contributed greatly to our region's cultural environment. The original purpose of the program was to feature works by Maryland artists, but over the years it has expanded to include international art. With exhibits in quilting, photography, sculpture, and painting, the program continues to call attention to the diverse interests and creative talents of local artists and the importance of their contributions to society.

The schedule includes four shows each year. Each show is generally on display for three months.

Come visit and enjoy the view.
