

To the honorable William Still Giles, Judge of
the District Court of the United States for the
Maryland District.

The petition of Deborah
Haylett of Baltimore city most respectfully
sheweth to your Honor, that she is the mother
of James Haylett, a boy of some seventeen years
of age. He is now in the Purnell Legion, a battalion
of troops in the service of the United States and
at present stationed in the city of Baltimore.
This boy was not eighteen years old when he
enlisted, and his enlistment was contrary to
the wish of your petitioner, who is his only
living parent, and with whom he was living
at the time of the said enlistment. She did
not know that he ~~was~~ intended or contemplated
to enlist until after he had been enrolled. She
believes that his detention by the officers com-
manding the said Legion is illegal and
wrongful and she comes into this honorable
Court to obtain redress according to the modes
provided by law in such cases. Your petitioner
prays your Honor to order the writ of Habeas Corpus
to issue in this case to be directed to William L. Leonard,
commanding the said Purnell Legion to bring into this
Court the body of the said James Haylett to abide
such order or decree as your Honor may make
in the premises, and as in duty bound &c.
