STANDING ORDER 2026-05

Federal Rule of Civil Procedure 5.2(c) limits remote electronic access to certain filings in actions for benefits under the Social Security Act and in actions or proceedings relating to an order of removal, to relief from removal, or to immigration benefits or detention. *See* Fed. R. Civ. P. 5.2(c). Documents subject to this limitation are only available for inspection at the public terminals located in the Clerk's Office for each division. In order to promote the public's right to access these documents while maintaining privacy protections for litigants, it is hereby

ORDERED by the United States District Court for the District of Maryland that, in all cases subject to Fed. R. Civ. P. 5.2(c), parties may submit redacted versions of any filings within fourteen days of the date the original document was filed in order to protect sensitive personal information. During this fourteen day period, these documents are only available for inspection at the public terminals in the Clerk's Office. If no redacted version has been filed after fourteen days, these documents may be inspected at the public terminals and printed copies may be obtained from the Clerk's Office. If redacted versions have been filed, printed copies may only be obtained of the redacted versions. Unredacted versions of these documents will remain open to inspection at the public terminals; and it is further

ORDERED that counsel shall use the "Redacted Document" event within CM/ECF when electronically filing redacted versions of documents in these cases.
