

The USDC for the District of Maryland is looking to upgrade our network scanners at both of our locations.

We are looking to purchase 35 Ricoh fi-7300NX scanners or equal. For Open Market.

The distribution for each location is as follows:

Greenbelt:

QTY	Name	Part #
14	Ricoh fi-7300NX	PA03768-B005

Baltimore:

QTY	Name	Part #
21	Ricoh fi-7300NX	PA03768-B005

To satisfy or equal, it must meet the following minimum specifications:

- Scanning Speed: 60 PPM minimum
- Duplex scanning capability
- Resolution: capable of 600 dpi
- Must be able to connect through a wired ethernet connection (no wifi or cloud)

The deadline for a quote will be in two weeks on September 28th, 2026 @ Noon 12 PM EST.
Send all quotes to Peter_Han@mdd.uscourts.gov

Let me know if there are any questions or any further clarifications regarding this request.

Thank you!
